Subject: Labadie 316(a) draft revisions

Good morning,

Please expect the Labadie 316(a) revised draft with Ameren's comment responses no later than Thursday. Ameren has indicated they will be sending it to me tomorrow; I will distribute as soon as I receive it although to make the document able to be emailed, I will likely have to divide it. A very quick turnaround for our comments will be required, I expect about a week.

Thanks,
Pam
